- socialise and make new friends
- support each other
- take part in activities
- access information
- chat to experienced gay and lesbian youth workers
- be involved in all aspects of the projects work
- and most importantly be themselves

### **Outreach youth 1:2:1**

The project is able to meet on a one to one basis with young people, who are on early stage of acknowledge their sexuality, but don't feel able to or don't want to come along to outreach sessions.
